CAREER SUMMARY

Aaron Peregrine is a Property Manager for over 532,000 square feet of office, medical office, and retail properties. He oversees and directs the operations of these facilities for their owners and variety of tenants.

BACKGROUND AND EXPERIENCE

Aaron began his career in real estate in Chicago, Illinois performing apartment leasing and real estate sales. In late 2017, he moved to Ann Arbor, Michigan where he entered the property management field. He returned to Lincoln in 2020, where he first managed low-income housing and later worked as a residential property manager overseeing five apartment complexes with a total of 366 units. He joined NAI FMA Realty in 2024.

He brings years of property management experience to the company after working for several real estate firms where he managed and maintained commercial properties and apartment complexes over the course of his career that started in 2007.
